

Photography 1-Final Assignment

All pictures must have a focal point and a simple background that doesn't detract from the focal point.

Self Mark

Done?

- Rule of Thirds
- Low Key
- High Key
- Panning
- Geometric Shapes
- Foreground
- Close Up
- Symmetrical Subject
- Leading or Dominant Lines
- Patterns

Each picture must be an obvious example of each rule of composition.

You must present your 10 pictures in a Google Presentation and share it with your teacher.

50--Barely acceptable-Minor Problems with background or focal point

60--Interesting view but some problems with background or focal point

70--Interesting view--No real problems

80--Unique view--No problems at all

90--Inspired view--No problems--People look at it & say "That's cool!"

100--Incredible capture!---People stop, stare & demand copies!!
